>I see the way he looks at me<br>

>So cautiously and sly<br>

>And every time he looks at me<br>

>I can't help but wonder why<br>

>He just doesn't tell me<br>

>Of the way he feels<br>

>Because those glances he keeps giving me<br>

>Just seem to reveal<br>

>That he does have these feelings<br>

>These feelings that I share<br>

>So maybe if I tell him first<br>

>And let him know I care<br>

>Maybe if I tell him<br>

>Maybe then he'll see<br>

>That I really like him too<br>

>But what if it's not meant to be<br>

>What if I am wrong<br>

>And I've misunderstood<br>

>Can I really go and tell him<br>

>I wonder if I should<br>

>Or should I just stay silent<br>

>And not say a word<br>

>Just hang with him the way I do<br>

>And hope it's not awkward<br>

>To always be around him<br>

>Cause he's more than a friend<br>

>It seems I have these feelings<br>  
>And yet I often tend<br>  
>To keep him in the dark<br>  
>Not tell him how I feel<br>  
>Cause though I think he feels that way<br>  
>If I'm wrong how could I heal<br>  
>After finding out the truth<br>  
>Though the truth it may not be<br>  
>So instead I'll sit and wait<br>  
>Till the day that he tells me. <p><p>
